ORT & CONECT – Effect of Targeted Massed Prayer

Cause & Effect of 24/7 on Society

Alaska:
(Aleut: "greatland")

Motto:
North to the Future

Familiar Name:
The Land of the
Midnight Sun

God has given Alaska an assignment as a sentinel and a vanguard for North America. From Alaska, the Spirit of God will fall, and your people will be sent to train prophets and intercessors. New cycles will begin in Alaska.

The Alpha and Omega State

"Alaska is my 'Alpha and Omega' state." Alaska is a place where things begin and where things end."

-Dutch Sheets

"Tell My people to move forward and not back into yesterday! Something aborts you from moving into the new, and you slip back into the old pattern. Break the cycle and move into the new!"

The Lord says, "Alaska is the Gateway of the Nation to the Ancient of Days!"
-Dutch Sheets

Alaska: "Violence shall no more be heard in your land, devastation or destruction within your borders, but you shall call your walls Salvation and your gates Praise" (Is. 60:18).

Alcoholism: Please pray for an outpouring of the Holy Spirit that will break the back of addictions in our state.

A spirit of murder: Please pray against this violence and that its root would be exposed and destroyed.

Suicides: Please stand with us in defeating this terrible destruction in our land.

Pray for the awakening of Alaska's youth. This is the time for both native and non-native youth to join together and arise to their destiny.

Pray for the intercessors to receive a fresh wind of strength to withstand the enemy.
